Here we are nearly at the end of week 7 and we have some very busy but tired children (and staff). The students are working hard at testing this week and getting ready for the end of year concert. Chappy Karl has weaved some of his magic for the concert, so we are eagerly waiting to see how it all comes together.

SCHOOL CAMP

We had a very successful school camp at Tallebudgera, with students returning very tired after a fun filled 3 days. The canoeing and Sea World seemed to be very popular votes for most favourite activity. It was great to see all students and staff get involved in the activities.

‘ACTION AGAINST FLIES’ UPDATE

Last week, we began our “Action Against Flies”. The staff and students released Dung beetles into the paddock around the school and our wasps have been placed along the fence line. We are hoping that the wasps will hatch successfully this week. Thank you again to Amy Tait, Jacqui Gill and the P & C for their efforts. You can check out the article on our efforts in the Clifton Courier from earlier this week. Maybe we will see a positive effect by Picnic Day!

ZOO VISIT AND PREP TRANSITION DAY

Last Friday we had our annual visit and tree planting excursion to the Darling Downs Zoo. It was great to have so many Pre – Prep and playgroup children and parents join us. We had a fantastic tour around the zoo with Steph and were surprised to see how many changes there have been in 12 months. We certainly enjoyed meeting the new Meerkats. We also planted some new trees for the koalas and were amazed at how much our trees from previous years had grown. Thanks to Steve and Steph Robinson for having us back and taking the time to show us around.

SWIMMING

With this newsletter you will receive the permission form for swimming. Swimming lessons this year will be held at Fairholme College in Toowoomba. Students will be attending 2 lessons each day for 3 days next week. These lessons will be from Wednesday 25th November until Friday 27th November. The bus will be departing school at 8:45 and will return at 3:30.

Students will need to take both morning tea and lunch with them. (Please remember that we will be eating in the park, so NO heating or sandwich making will be available.)

Students will also need to bring their swimming costumes and towels with them each morning in a swimming bag, they should not be wearing them.

SCHOOL CONCERT

Our school concert is only 2 weeks away now and the children are beginning to get into serious practices. Next week will see the beginning of our practices at the Pilton Hall. Students will walk down to the hall with staff and will spend some time down there getting use to how they will be moving around the stage and doing props on the night.

Regards,
Leanne
Hello everyone

Thank you for your votes and feedback regarding the new school uniform shirt. Option 1 was the most popular. Taking into account voting and feedback, some minor alterations have been made to option 1. We are hopeful that a sample will be available for your perusal in the next week or so. Please email or ask Brooke, Rebekah, or myself should you have any queries.

Details regarding the Picnic Day and Mr Fuller’s farewell will follow shortly.

The next P & C meeting will be held on Monday the 30th of November at 6.00pm.

This will be the last meeting for the year. At this meeting the new uniform shirt and details regarding the Picnic Day will be finalised.

Parents and community members are all welcome.

Thank you

Jacqui
