Our school initiatives are on track to meet or exceed our targets

During 2018, we focused on maximising the benefits of this funding for our students. After reviewing our 2018 *Investing for Success* agreement, it is clear that we are on track to meet or exceed our targeted student outcomes. We continue to implement our initiatives to ensure that every student succeeds.

Initiatives implemented include:

- Building teacher capability in analysing student performance data and commit to regular data analysis. Evidence: Tomlinson, C.A, (2001-2003).
- Reviewing student data regularly to inform teaching and learning.
- Providing evidence-based consistent approach to the teaching of writing, reading and spelling from Prep to Year 6.
- Engage the Upper 2 Band students in online extension programs.
