Our school strategies are on track to meet or exceed these targets

During 2015, we have focused on maximising the benefits of this funding for our students. After reviewing our Great Results Guarantee agreement, it is clear that we are on track to meet or exceed some of our targeted student outcomes. We continue to implement our strategies to ensure that every student succeeds.

Strategies implemented include:
- Increase student achievement in Year 5 NAPLAN Writing to include at least 20% achievement in the U2B. This year our students achieved 60% in the U2B for Year 5 NAPLAN Writing.
- Implement the Prep Early Start screener in Year 1 in 2015.
- Deliver a Prep literacy programme in 2015.

Our school strategies are showing substantial progress toward these targets

After reviewing our Great Results Guarantee agreement, it is clear that we have made progress toward the rest of our targeted student outcomes. We will continue to focus on maximising the benefits of this funding for our students, and adjust our strategies as needed to ensure every student succeeds.

Strategies implemented include:
- Increase student achievement in Year 3 NAPLAN Reading such that 50% of students not with an Individual Learning Plan (ILP) or Evidence Based Plan (EBP) place in the U2B’s in 2016.
- Increase student achievement in Year 3 NAPLAN Spelling such that all students not with an EBP achieve above National Minimum Standards (NMS) in 2016.
