Enrolment Agreement – Pilton State School

This enrolment agreement sets out the responsibilities of the student, parents or carers and the school staff about the education of students enrolled at Pilton State School.

The community of Pilton State School is committed to learning, respect and optimism through a secure, supportive and cooperative environment, which recognises and accepts individual differences.

Our school fosters a warm, supportive environment where students can be happy and where optimal learning can take place.

A major part of the teacher’s role is to ensure that children will learn and develop within their school environment without disruptive behaviour hindering their success and enjoyment of learning. It is also expected that students will respect the teachers’ fundamental right to teach without disruptive behaviours hindering his/her success and enjoyment of teaching.

We also acknowledge that if students are to become productive members of society, teachers must help them to develop responsibility for their actions by both teaching explicitly and practising problem solving skills.
