Dear Parents, Students, Staff and Community Members,

Pilton State School is reviewing our recent operations to inform the development of a plan for future years that will lead to even better results for our students. Staff are currently reviewing a range of data about student learning and school operations.

For better a more informed plan, your opinion is vital for this review. Attached is a one page survey. There are no pre-determined answers to select from as we need your thoughts on our school. As well, there is no need to identify yourself.

The survey is in two parts. There is a “traffic light” survey and we then ask for your overall thoughts about the school and how you believe others see our school.

Surveys can be returned to the school office, dropped in the school mail box or sent by post. The school mailing address has been included on the back of the survey. Just fold the survey into thirds and seal with a piece of sticky tape, place a stamp near the address and post your thoughts to the school.

The survey will be available on the school website (www.piltonss.eq.edu.au) and can also be emailed to you. Request the survey through admin@piltonss.eq.edu.au. The survey is a MS Word document, allowing most people to answer the questions on their computer and email it back to the school.

As well, we have included a newsletter to share what is happening in our school.

The results of the survey will be made available through the school newsletter.

Thank you in advance for your honest and open feedback.

Stuart Fuller
Principal.
